EXPERIENCE

Techfest, IIT Bombay — College Ambassador

May 2025 - PRESENT

Promoted Techfest, IIT Bombay within my college community by driving student engagement and participation. Built awareness through events, networking, and digital outreach while representing the fest on campus.

Syntax Syndicate, Tech Community — Founder

August 2025 - PRESENT

Founded and built a growing community for tech enthusiasts, focusing on AI, programming, and project-based learning. Share resources, updates, and collaborative opportunities to engage learners and innovators.

EDUCATION

Indian Institute of Technology, Madras — B.S. in Data Science & Applications

May 2024 - Sep 2028

Terna Engineering College, Nerul — B.E in Artificial Intelligence & Data Science

Sep 2024 - May 2028

PROJECTS

Vehicle Parking Management — A multi-user app that manages different parking lots, parking spots and parked vehicles.

It is a multi-user app (one requires an administrator and other users) that manages different parking lots, parking spots and parked vehicles. Assume that this parking app is for 4-wheeler parking.

Engineering Assistant Chatbot — The [Engineering Assistant Chatbot](#) is an AI tool that helps students solve problems, explain concepts, and generate textform content.

The Engineering Assistant Chatbot is a multipurpose AI-powered tool that helps engineering students with math problem-solving, unit conversions, coding assistance, and document-based Q&A.
